The Highland Assurance is our promise to quality and innovation. It's building RVs that are rooted in the needs and suggestions of our customers. Most importantly, it's about giving you the assurance of an enjoyable trouble-free RV experience. But even if there is trouble, we've got your back.

NAVISTAR
PROVING GROUNDS

ZERO DEGREE
TESTED

All new products undergo a grueling 500 mile durability test. A battery of figure eights, inverted chatters, undulations, and staggered bumps will test and prove our workmanship.

Highland Ridge RVs withstand the harshest of environments. We put our products into a zero degree chamber for five hours. The results speak for themselves.
